6. *bracers of the snake*, grants Dex 18; broadcasts your actions to all servants of Set within one mile (evil clerics, assassins)

Quickstart:

- three factions with headquarter
 - three leaders with traits & goals
 - some non-player characters
 - some treasure, some magic items
- Add details between sessions.

Faction Headquarters

1. Wizard Tower

A **magic mouth** greets visitors and asks their name and business. The first floor is guarded by 5 animated objects (HD 2) at the command of the magic mouth. Top floor also houses a talking, mean **crocodile** (HD 4, two attacks).

Open window above the door. The magic mouth will alert inhabitants if trespassers are seen. It never sleeps.

Love potions and stuffed animals can be sold for 400 gp.

Faction Leaders

1. One Eye Sam (T5)
2. Spider Ali (M5)
3. Pesh, black fae (E5)
4. Blue Balls Berd (H5)

Traits

1. notoriously cruel, +1 to morale
2. generous now, but a traitor
3. careful, has escape planned
4. charismatic, add 50% minions
5. funny, friendly (join them?)
6. well educated (help you later?)

Goals

1. punish Orgfon
2. return my book
3. map enemy HQ
4. defend my HQ
5. hire this person
6. kill this person

2. Thieves' Den

The front room is a taylor's shop with an **old man** ineptly doing needlework. He points to the right and locks the door if any pass into the trapped room: many **pits** (1d6)! Members ignore the nod and go straight through. They know the secret doors (through hearth). Big room in the back has a **chest** with 500 gp. **10 thieves** (T1) hang out and watch the doors. Secret door to the sewers in the back.

3. Bakery

Starting a fight in the bakery attracts a lot of hungry looters in 10 rds. **6 apprentices** work here, armed with clubs (F1). They use flour to blind intruders (-4), save to avoid.

Big bags of flour, two ovens, piles of fire wood, buckets of water, salt, a large table, wooden tools to use as clubs.

In the cellar, pots of yeast, blankets, some extra clothes, and the owner's **chest** with 200 gp in it.
